Dear traveller,

HEALTH COMES FIRST

The Peruvian government has taken the following measures to fight COVID-19:

• The State of National Emergency continues until September 30, 2020, expanding the circulation of people from Monday to Sunday from 04:00 to 23:00. Private vehicles will not be able to circulate on Sundays.

• This measure does not apply to the regions of Cusco, Moquegua, Puno and Tacna, nor to the other 25 provinces indicated in Article 2.2 of Supreme Decree 151-2020-PCM, where mandatory quarantine is in place. In these locations, the mandatory curfew is from 8:00 p.m. to 4:00 a.m., as well as on Sundays all day.

• The use of a mask in public throughout the country is mandatory, and to continue with the decline in infections, the population is reminded of constant hand washing and maintaining social distance.

• As part of Peru’s economic reactivation, protocols have already been approved for hotels and restaurants, as well as for the train service for passengers, travel agencies, guides and hostels, for adventure tourism and domestic flights, among others.
